

# DUNMORE REALTY'S

## Personal Shopper

### Imagine...

- Having to grocery shop after so many hours of traveling
- Now imagine **NOT** having to grocery shop after so many hours of traveling
  - Spending more time on your vacation with your family & friends
  - Avoiding impulsive buys (especially with the kids around)
    - Having someone to do your shopping for you

### How it works...

1. You send me your grocery list via email or whatsapp (see next page).
2. Together we arrange a date, time, and place for delivery.
3. We charge your Visa/MC the total and fees.
4. I deliver groceries to the prearranged delivery details.
